“ *Debi and I were friends in high school. Along with Marilyn Gruen, Colleen Yates and Sue Vogel we had lots of adventures! When we graduated Debi and I both enrolled at Siue majoring in art. Many times I picked her up for school in a 1957 mg that had no heater. We got pretty cold but we made it. Marriages and children came along and we lost touch with each other until we reunited about 5 years ago. Marilyn, Colleen, Sue and I along with fellow classmates Carol Oehler, Anna Hopkins and Marilyn Wanick would meet at each other's houses for a girls day. I'm so grateful we had this time together. Debi was a beautiful soul inside and out. She was creative and funny and kind. She will be missed.*”

“ *Debi and I grew up together, went through school, horseback riding and any other silly thing that we could think of. You never knew what was going to happen next. She will be missed. Praying for the family. It will take awhile to get over her absence. She was always such an understanding person, she might not agree with you but she always listened. RIP my dear friend.*
