“ I loved working with her at Central Hardware. We all did. Full of curiosity and yes her daughter knows my son. Jordan. Debbie was the scoop and nuts we all had to be. As a bus driver I was so glad our paths crossed. I must drive I get motion sick. Debbie was and always will be remembered by all of us who knew her. Deepest sympathies to your family. Prayers and time while you celebrate her life legacy. I still have the gold filled ring and it turned my fingers greens. From this green eyed Girl at 16 years old. We shared beauty and truth. TJ. That's my nickname. So many Teri's. Terrie. Terry. I'm tj TJ. art Coppedge. Named me.

I never met Debbie Trappey, but I am in the same 1976 Alton High School graduating class as her husband, Steve Trappey. I send my sincere condolences to the Trappey Family and his wife's extended family. 50 plus years of experiencing life and love together is a long road of many twists and turns along the way. I hope each person is comforted by God, as you remember the life and love of Debbie Trappey.
