“ *Anytime I think of Dennis, it brings a smile to my face. No matter his health, his smile was there for all. No matter how big or small the job, there was not a more talented heating and cooling man. He volunteered his musical talents at our Brighton PTA "Hee Haw" shows and assured their successes. But what I remember most is his love for his family. He was a true Christian and he will be missed. My thoughts and prayers go to his family. There is a better band singing and playing in Heaven tonight.*
