“ Dennis always treated Donna and the girls like royalty, and treated me like one of his own as well when younger. I will forever miss walking in and seeing him and Donna playing guitar here in the living room in front of the projector screen for HOURS on end. One of my favorite memories is when Briana and I were watching Paranormal Activity, and he walked up, asked what we were watching, and ended up standing over the back of the couch for the remainder of the film, jumping anytime anything happened with the both of us. He was such a wonderful man, and gone too soon.

“ Dennis was a good man. I had the pleasure of working with him at SWA for 25 plus years. We both retired in February. I know he loved his family and was looking forward to spending more time with them. Rest easy Brother Dennis 🙏

“ We had 16+ years together...and we packed a LOT into those years! All the fun we had dating, then marriage, going to South Padre Island twice, buying 2 campers, all the camping trips, holidays, birthdays and just daily life...so many good memories...I wish we had more. I will cherish every single one even more now...I love you, I miss you, and my heart is broken 💔...I can't wait to see you again!!
