“ *To Steve, Joey, Ron and the rest of the family, my deepest sympathy to all in the loss of Dennis. Dennis and his brothers and I go way back, back to the days of me as a paper boy delivering their paper on Emerald. Due to an upcoming surgery and that fact that I have to stay Covid free, I'm not able to pay my respects. No matter where we were, and it was usually at a hardware store, we would stop and talk. Dennis would always ask about my mom and how she was. The Muscarella family will always be a part of my youth and will never forget them. Dennis, RIP my man. You will be missed and now it's your job to keep watch over us.*
