*Dolores and Paul always had a Labor Day week end party. Live in their apartment for 8 years before moving. Those were some of most memoral years of our life. What couple never to be forgotten! We loved them both dearly.*

*She was one of those people that you loved to be with. Always fun and always happy to see her family and friends. She sure loved Cindy and all those grandkids. They were the light of her life. We will all miss her dearly and know she is in a better place with Paul and so many others who have gone before her.*
