“ *To Myrna, Cliff, Mary, and Family,*

When we were little, Don was always the big brother around to give us a hard time, and to help us out when needed. I am so sorry for your loss. I know he will be missed. Take care.

“ I remember Don mostly from School and from Walther League at our Church when we were just kids. He was always the life of the party, making us laugh and have a great time. We've shared many stories about those days just recently. He's shown the type of Son he was by moving his Mother, Myrna, to his home and sharing his life until the end with her. He will surely be missed by all who were blessed to know him. May he rest in peace.
