“ *To all the other Dossetts, I was saddened to hear of Don's passing. We learned about it in the Advantage paper since we no longer get the Telegraph. He was a great guy, and, apparently, named after my Dad, Donald T Dossett, who passed in 2002. They were a lot alike, and that is an understatement. Lord's blessings on you all.*

“ Sending sincere condolences to all. I still remember the day I met Don, he was such a kind man always wearing a smile on his face. He was never down, on the contrary, always full of wit with positivity and funny stories. My heart goes out to Jeanette and the rest of the family. May GOD's peace be with you all.!

“ Don had so much love to share it couldn't be done with just one heart, that's why he had to have a second. I'll be forever grateful to the donor family that made it possible for us to meet and share so many years together. To Don, thank you for all the wonderful memories, because none were bad. I will miss you each and every day. Until we meet again, your loving wife, Jeanette 💕💕
