“ Prayers for your family during this time of bereavement. Your Dad was my mother's doctor in 1972-73. He and Dr. Brown took care of us. We were their first mother / daughter carrying at the same time for them to care for. Dr. Hardbeck was soft spoken and very caring. He was truly a wonderful doctor!

“ When our son, Ben, died his twin brother and his wife rushed home from Wisconsin . She was 9 months pregnant. Being her first pregnancy she had more than the usual worries. My wife, Nancy, called Dr. Hardbeck. He did not hesitate and saw my daughter-in-law for a special exam. All was well. She delivered our first grandson one week later. Dr. Hardbeck was a very special person to our family.
