“ *Please accept my family's heartfelt condolences on the loss of your dear loved one. Out of all the things that afflict humans, the pain of death is truly indescribable. May you find peace and comfort in knowing that Almighty God promises in his word The Bible, that shortly He will "wipe every tear from our eyes, and death...will be no more."*

“ *Grandpa Jacoby, will miss you and your jokes, stories of the farm and the war. You were always there for your family whether we needed an ear, something fixed, or to tell you some ghost stories :) You and Grandma left a legacy of love, we will miss you terribly but know you are together now...*
