“ I have known Donald for over 60 years. We used to play in grade school. He asked me "to go with him" (go steady) I asked go where? He was one of the funniest people. I will miss him.

“ I was saddened to read of Donald's passing. What a character! Many fond memories. I will be in Richmond visiting my sister Saturday, but my thoughts and prayers are with you all. I'm sure he and Schuyler are planning a practical joke on some unsuspecting angel at this very moment. Peace and love.
