Don was always the older cool cousin and I never remember Don without his wonderful smile and sense of humor. His attendance at our family functions was always a pleasure. As our family continues to shrink, we have to hold on to the good memories. My heartfelt thoughts are with all of you at this difficult time.

“ *I was saddened to hear of Don's passing. I only knew Don for a handful of years through our alma mater, Millikin University. He always had a smile on his face and a joke to tell. He will be greatly missed at Millikin Homecomings, SAE reunions and football games. With heart-felt regards, Gina Bianchi*

“ *Very sorry to hear of Don's passing. He has been a friend for over 30 years and we shared many good times together on the golf course. Every time I saw Don in recent years he always had a smile on his face and asked about my family (by name!). Prayers for Shirley, his friends and family. I will miss him. Warmest regards, R.J. “ I’m very sad to hear of Don’s passing. I got to know Don when he and his family bought and lived in my uncle’s house in Hartford while I was in high school. It was always fun playing golf and going to Cardinal games with him. He also gave me very helpful advice when I started my work career after college and the service. He always had, and will always have, my appreciation and respect for all he did. Larry Gardner.
