

Doris Louise Harman

May 2, 1934 - August 24, 2018

Dateline: Godfrey, IL

Doris Louise Harman died Friday, August 24, 2018 at Morningside of Godfrey. She was born May 2, 1934 in Gerard, IL the daughter of the late Foster Rice and Effie Alan (Hylton) Harman. She was an independent woman much before her time. She worked for AT&T starting as a switchboard operator and began climbing the corporate ladder. She relocated from coast to coast and credited her success in management to the Dale Carnegie Supervisory Training. Whenever she would vacation to Alton it was a joyous occasion. After retiring she traveled with some of her sisters around the world, shopping whenever the notion struck her and dined out every day at a different place. She loved the staff at Morningside and they loved her. She received excellent care and even admitted she liked living there. She received Jesus Christ as her Savior as a child and remained a member of Brown St. Baptist Church until her death. She had many friends and never met a stranger. She is survived by her siblings Ruth Voumard of Colorado Springs, CO, Willa Humenick of Alton, IL, Mary Conley of Godfrey, IL, Shirley (Wilbur) Schreiber of Arriba, CO, and thirteen nieces and nephews: Dennis, Donna, Cathy, Scott, Judy, Sally, John, Mike, Lori, David, Mark, Deborah and Susan. We loved our Aunt Doris. She was preceded in death by her sisters; Minnie Bowsher, Virginia Nielsen, and one brother; Foster Harman Jr. Per Doris' request there will be no memorial or visitation services. She has donated her body to Washington University. Donations in her honor may be directed to Brown St.

Baptist Church or The Activities Department at Morningside of Godfrey. Gent Funeral Home is in charge of arrangements. www.gentfuneralhome.com

“ *Condolences on the loss of your loved one. Although I did not know Doris , I am curious how some of her siblings were Harman's and others were Harmon's per the Alton High school Alumni book .*
