“ *Dear Carol.
Your mother was an amazing lady. You definitely inherited your mother's tenacity and spirit. It's so hard to lose your mommy but it is also such a blessing to spend so many years together. Please know that you have been in my thoughts and prayers. Thinking of you.

“ Carol and Family,

I am so sorry for your loss. I enjoyed knowing Doris immensely. She was so cheerful and upbeat and always had an optimistic response. I stopped by on November 12 to see her and was planning another visit before Christmas. Guess I'll have to wait till the Grand Reunion to see her again.

I do hope your Christmas season is filled even more with the awe of eternity and the unfathomable gift of God's love that began with a tiny baby in a manger who opened the door to His eternity for us.

God bless you.
