“ *Grandma Torres was truly such a wonderful, one of a kind lady. I will never forget how I would cry to stay the night with her as a child and wrap myself around the legs of her kitchen table so my parents couldn't take me home. She would always give in and let me stay :) I remember always going to her house after school and watching TV in her living room while she visited with family members at the kitchen table, looking out the window at all of her cats. She was so special to me and brought so much joy to my life. I always hoped she would out live us all because as much as I tried, I could never prepare myself to say goodbye. I'll love you forever grandma. I still can't believe you're gone and am just looking to God for peace. I'll forever and always be your girl and you'll forever be my lady ❤️❤️*
