“ I hated to get the news of another family members passing. But oh my how she will live on and on in the memories she has left behind. Her gentle ways, her soft voice, her beauty, and her hard work ethics....

I will miss you aunt Dottie, but you will remain as alive and vibrant in my mind as the last time I saw you.

Love, Cindi Dale

“ Most of my time spent around Aunt Dorothy was in my childhood and what I remember were her quiet ways and awesome cooking. And though it's been awhile and this is long distance... please know, that you're remembered in my prayers. Love, Diane
