“ My mom and I speak of Dorothy often. Mom is Juanita Luker. I am Sandy Overy. Just found this. God bless you all with beautiful memories when you think of her. She was a very special lady to me. Mom drove a bus with your mom until your mom retired. They kept in touch often. I went to school with Donna and Beau and Mary Lou. They even came to look at our house once when it was for sale. Mom has dementia now, but we are sitting here talking and she again asked me about Dorothy. Glad I could find her. God bless you all. Sandy (Luker)
