“ My prayers and thought will be with you during this difficult time. I married into the Wyman family and I really enjoyed the time I was able to spend with Dot compiling all the information on the Wyman family geneology. She was such a wonderful, caring person. She will always be in my thoughts. RIP Aunt Dot

“ *My sympathy and love to all the family. I am a granddaughter of Gladys (Wyman) Buchholz, her sister. Aunt Dorothy was always very kind to me although I only got to see her a few times. We corresponded through the mail quite often. Regards from her Missouri family.*
