“ I'm so sorry for the loss of your mother,our grandmother,and the great grandmother she was. When I met grandma for the first time she was very kind and very loving , I wish I could of known grandma as well as everyone else. A little love is all you need to know someone cares. My prayers and love go to everyone. We will all be together as one one day. May god bless everyone and stay strong . She knew she was loved. Love always Claudia (Griggs) King

“ My heart breaks for you all. This is a trying time as you grieve. Remember the love this beautiful lady instilled in you all. As the days go by hold on to the precious memories. You have another angel watching over you! You are all in my thoughts and prayers.

“ Mom, I will, and already miss you even before you passed, the word cancer scared me and I knew it was going to take you from me but it ended up being your heart. There isn't anything I could say or do to keep you here, it broke my heart to see you go, my heart feels empty and hurts, my mind is so clouded and can't think straight, I'm trying to be strong as I know that's what you would want. I LOVE !!💔💔💔
