“ Dorothy, you truly were an amazing woman. You knew how to get things done and enjoy some laughter along the way. I was amazed at your ability to bring family together with love, compassion, and always a no BS attitude about you. I learned a bit from you through the years I was around, and I will never forget you. You were like another Grandmother to me, in which I was more thankful than I took the time to say. Hope there is peace within your soul and you are happily with your boys now. RIP.

“ Dorothy you will be dearly missed. I always thought the world of you and have many fond memories of you. I even remember having a leaky roof one day and you climbed right up there on the roof with me and helped me fix it. That is one of the many things I loved about you, You always were a "go getter" and never a quitter. I pray for all your family during this time of need and hope they get the comfort they need. Sorry I can't be there but everyone is in my thoughts and prayers. Love Always, Duck

“ I love you so much mom. I never dreamed I could miss someone as badly as I do you. I know that you are walking in heaven with so many that have gone before you and that makes me happy for you but I am so sad for me. You may be gone but you will never be forgotten. You will be forever in my heart.
