I wanted to say that I was very impressed how Tim Edwards' family took Dreya into their home and cared for her when she was very young.

Tim's family made sure Dreya attended church and grade school. People at church knew when Dreya was in the building.

The Edwards family did the same for Steven Davis. I sometimes see and talk to Steven around Godfrey. Steven told me he has a full time job, A-men.

*Well done, Matt 25:21.
