“ *Dusty even though I have not been in your life long, I have gotten to know a great man, a funny man, a loud dresser (LOL), and man with a wonderful personality who would do anything in the world for anybody. I still remember my wedding and how you were complaining about your shoes being dirty and how you had to look all fly. You were a great guy, Crystal loved you to pieces along with all of us. Me and Cliff are going to miss you like crazy... it just sucks knowing that the last time I saw you, there was a lot of drama. But we are family of course there is drama. I also remember you and Cliff jumping in the bounce house at the party. There were so many great times with you in such a little time. Take care buddy know that we love you and we will always miss you! Watch over us and know that we will never forget you.*

“ I always teased dusty that he owed me \$5, That was our running joke for many many years. I finally told him that he didnt owe me. That was a hard thing for me to end the joke And he understood that i loved him and i always would with or without the joke.

Love ya Dusty
