“ Dylan brought a bright light to this world that I will never forget. I am grateful and blessed to have known him. One of my favorite Dylan memories was recent, when we were driving home from a Cardinals game and listening to my music playlist in the truck. He loved my playlist from the Beastie Boys to Jelly Roll, when most people think it's too scattered! Dylan might have been young in years, but he was an old soul that brought joy to many and he will live on through us all. Love, Mama Rios (Linda)
