“ *As past administrator of Eunice smith Home, I wanted to convey my deepest sympathy on your loss of Earl. He was very special to me, and I last saw him in July when I volunteered at the Home. I always appreciated his honesty in sharing any concerns he had about Heidi's care, and I am glad he was able to spend his last days together with her. He was indeed a special man, and I know you will miss him. I will, too.*
