“ *Condolences to the family.....what a beautiful picture of Edith. I was going to visit her on Sunday but did not feel well so I missed saying a final goodbye. When she left a message on the answering machine she always ending with " love you...bye bye" I have so many memories and stories I could tell and probably not enough space here to write them. I will say she was like my second mom and a dear friend to my mom. And Beverly, her daughter, was my closest friend and miss her so very much. Edith had many friends and was a good friend. And a wonderful cook. I guess her compliments to me on my cooking was truly a compliment for she would know. Especially gravy for breakfast. I will miss her so much. She was truly one of the nicest people I have known. She is without pain and at peace now. And in God's House*
