“ *I even knew "Ike" when we were in High School. She went to Alton High and I, to Marquette. We would see one another at various Sorority dances and laugh a lot. We kidded one another mercilessly . I once found a pair of shoes on sale that were not the best design but they were red and they were alligator! When we worked at The Bank of Alton on Washington Ave, she called those shoes "Ruby Keeler shoes". Years later, I was watching channel 9 and it was an old movie and there was Ruby Keeler tap dancing on stage in shoes with Cuban heels. I called Eileen to see if she remembered calling my shoes funny names and she didn't ! We had a lot of laughs together. God bless her!*
