“ *Please accept my sincere sympathy for the loss of Mrs. G. Although I am sure we met when I was a youngster in Sunday School with Mike at St Ambrose, I got to know her a little better when I was in high school and college and frequently giving Mike rides on our adventures. She was always kind and willing to chat and wanted to know how I was doing. My fondest memory was when she and Mike conspired to surprise me with a gift for college by stowing a red, white and blue travel trunk in the station wagon before she picked Mike and me up from work at Lockhaven, probably on our last day of work for the summer before we both went to college as freshmen. When I got in the car, I think I joked about it saying something like, "What's this--a present for me?" And I was just floored, shocked and very grateful when they said, "Yes." They both had a great laugh and enjoyed making my day, week and summer with that gift.--Jeff Jackson*
