“ *I would like to share a memory for my mother, Cecilia. She treasured her sister Laila. Laila, their sisters, and other family members were always most important to my mother. After we moved from Alton to Toledo in 1954, our only family vacations were visiting family in Alton. If grandma and grandpa's house was full with other cousins, Aunt Lalia and Uncle Leo always had room for us. We were blessed to be part of Bertha and Tony's extended family that included such wonderful people as Lalia, Leo and their children. I hope to see my Green family cousins at the 2021 (and delayed 2020) Springman family reunion!*
