“ *I guess the best way to describe it would be to say that Eva was one of my other mothers. Trying her darndest to keep us in line. Despite our constant attempts to end up in the hospital by doing crazy things. But she loved us all nonetheless. RIP*

“ *I have fond memories of growing up in the neighborhood with the Hubers. Eva was always calm & loving. I never remember her getting angry even when her children & neighbor kids must have certainly tried her patience. Sending my love to Stan, Kirk, Bonnie & the rest of the family from Central Texas.
