“ Gary- I know you and your mother had a special relationship and that she will be deeply missed by you.
As a child I remember playing at Evelyn's house and spending time with your family.I remember the card games and what fun we would have. Memories is what will keep her close to your heart. You are in my thoughts and prayers.

My grandma has always had a heart of gold putting others before herself if there was ever a time you needed anything she would find a way but the greatest gift she had to offer was when she put her arms around you and said she loves you....will miss u grandma always in my heart and in my mind, Lena
