“ Remembering Faye Ann, as a EAWRCHS classmate, and dear friend from so many years ago. We graduated together and we were hired by Shell Oil Company as stenographers. We became serious “adult girlfriends”! In 1960 she was an attendant at our wedding (See picture in the Tribute Wall). She was a beautiful and caring person and I shall always cherish the memories of her friendship.

“ A great friend in high school...memories of games, Jiveland, school dances, slumber parties and fun. I always remember her birthday...and whispered a prayer for her even on the day she passed. Farewell old friend. Rest in peace. Susan Hale Moyer class of 1959
