“ *Faye's Poem from Sister Joyce*

*Life can be difficult at times
I need to go out back and sit under the trees and sip a chocolate
smoothie
Where there is no want, there's God
An assortment of birds; fine feathered friends who want nothing of
me
And locust in harmony and moles that tunnel beneath my feet
Maybe it's OK if I don't understand what I should be doing next
It's been a year since my dog "Speedy Boy" rested his feet
And yesterday was also a time to celebrate my sister Faye's retreat
Now the tears are rolling down my cheeks
Sunday will be a passing moment in time at the cemetery
But God gives you what you need*

*Love, Sister Joyce
