“ Hoagy was such a sweet soul and as a co-worker you can't find a better person. When you were having a bad day, he was the guy that cracked the joke or said something absurd, and get you laughing. There are so many good memories I have with Hoagy that I can hold on to. Stacy and I would like to give you our deepest condolences and sympathies to your family during this time. He will be greatly missed and you all will be in our prayers.

“ Hoagy was an enormous part of my life for all my time at Emerson. He was my manager for years. He was my friend for more. He was everything you wanted in a friend. He was a kind, compassionate, wise and hilarious. Hoagy could put a smile on anyone's face. He called me 'Bubala'. I will miss him dearly. As all others who knew him will. Prayers with you and your family always, Hoagy.

“ Best buddies and neighbor with hoagy 3-5 grade till our family moved. We spent countless hours playing toy army men and army with toy plastic guns. Hoagy had a damn arsenal of plastic toy weapons in the upstairs of his house . It was great. Hoagy was a peaceful kid but I remember one time we got into an argument over whose soldiers was who's we rolled around on his front porch each one of us had the other one by the head of the hair until his mom came out and made me go home lol. I thought he had moved away and had no idea he was in the area or I would have tried to have contact him... RIP my play army buddy you were a legendary figure in my childhood... R.S
