“ Aunt Kim,

I am so sorry to hear this news. My heart aches for you. I know our family is not as close as it once was and wish that were different but we love you and miss you and I am sincerely sorry that I didn't get another chance to see Fred. The last time we saw you guys was on your birthday a few years ago and I thought that maybe he had overcome his battle because there was a procedure that you guys were hopeful about. Fred was such a wonderful, fun and loving man. I loved you guys together. He was too young to have gone so soon but lucky to have you faithfully by his side, loving him to the end. Please call if you need to talk 815 910 9656. I love you so and wish I could hug you, Christy
