“ To the family Fred Valdez. I just wanna tell you how very sorry I am about the loss of Fred. Over the weekend I ran into Beverly. I had no idea and felt so bad. Fred started to be my tax man 50 years ago when he was on Elm Street. I became very good friends with Fred and Bev. They would always want me around the house, especially at Christmas time and show me everything and all for collection of theirs. Fred will take me out in the yard and show me all the plants and statues. They always came to the flea market up in Grafton and always came in to give me a hug. I'm sorry I did not notice sooner. It's been a while since I text Fred just to see how they were doing. God bless all of you. You will stay in my thoughts in my prayers for quite a while. Your friend Diana Klaus, Howland.
