“ Words cannot express our sadness at Gail's passing. She always took the time to visit our mother when Gail was in Macomb, and Aunt Bonnie thought so much of her. What a classy and sweet lady Gail was; she will forever be in our hearts and remembrance.

“ I am saddened to hear the news that Gail is no longer with us - to share our laughs and remember all the silly things we did as kids. I adored Gail - I thought of her (and will forever) as my unofficial sister. She and I bonded in high school when we shared the role of handling finances for our paper, *The Sentinel*. Although we didn't see each other often once I moved to Colorado, I always delighted in catching up with her at our reunions and sometimes via email. I wish I had more time with her! I was looking forward to seeing her at our 50th MHS Reunion in June. She was a dear, sweet, kind, caring person and I will always treasure knowing her. I miss her terribly. My condolences to Gail's entire family.

“ It was my privilege to take Gail to our high school homecoming football game. She was homecoming royalty. I was far from homecoming royalty, but it was a good evening. Looking back, I appreciate her dignity and grace.

“ Gail was my good friend through high school and in college. She was the beautiful maid of honor at my wedding. I remember her mischievous laugh and infectious smile whenever we began an adventure. I have already missed her as we lost touch over the years.

“ Gail was such a special lady. I remember her taking Kirsten, Becky and I to her wedding dress fitting right before her wedding. That must have been such a busy time for her, yet she took her young cousins with her. Of course we thought she was the greatest. She even got us ice cream after. What a terrific role model she was. I can't ever remember seeing her without a smile and a kind word whenever we met in the years that followed. I am sure this is a hard time for all her loving family. We have you all in our prayers. I am sure Gail has you in her prayers too. Love to you all. Cousin Terry (Stumpf) Forystek and Bruce Forystek.

“ Dear nieces and nephews, I am saddened by the loss of Gail to her brothers and sisters, son, mother and myself. Gail was a gentle soul. I was 12 when she was born, what could have been more wonderful than to have a wonderful baby niece. When we came to MaComb for Gails wedding, she took her cousins - Terry, Kirsten and Becky with her for the final fitting of her wedding gown. What a thoughtful thing to do, Gail was sweet and kind to everyone. She will be missed on this earth. I am sure she is joining Chad and the angels in heaven. I am sorry that we can't come for her services, we don't do long distance driving anymore. I have arranged for a Mass of Remembrance for Gail June 5, so we can attend. Love to all,
Aunt Mary

“ Gail was a classmate of mine at Macomb High. She always had a smile and a positive outlook. She will be missed at our reunion in June. Prayers for healing and comfort to all the Roe/Farniok family.
