“ Thanks to all who attended the visitation. For those of you that could not make it, you missed a very nice event. Thanks to all of you as well for keeping Gary in your thoughts and prayers. There were a lot of folks that had not seen each other in years in attendance. It was fitting that so many diverse people celebrated Gary's life. Gary was a true trooper throughout his years of suffering and will be missed by family and friends alike. God bless you all.

“ I'm really sorry to hear about Gary. I got the news too late to make the visitation but I wish I could have come. I have known Gary since high school when Gary, Kenny Miller and I used to hang out together sometimes. Condolences to the family.
