“ *Girls I am Marilyn Rundell. My dad was your mom's uncle. He was Paul Hagen. Sorry I couldn't make the visitation but I had cataract surgery yesterday. Sorry to hear about your mom. Linda you helped my daughter Debbie . You were working at St Anthony's and I brought her in for you to work on. Her name was Debbie lackorby. Thanks.*

“ *So sorry for your loss. The Gearings were such good neighbors to me when I lived in Alton.*

“ *I was always a bit envious that Linda's mom lived across the street from her. How special was that! What a kind, gentle and generous woman.... a life well lived. She was a blessing to all who knew her.*

“ It's hard to believe that your mom, Genarose, is gone from us. I always thought she would be a contender for the oldest living human. She was like the energizer bunny -- go,go,go! The grass never had the chance to grow under her feet. She was so full of life. She always had more energy than me despite our age difference. And her posture was so great. She was a person who could legitimately say to her descendants-- "Sit up straight". And don't get me started on beer consumption! And finally, I want to tell you all that I've known Genarose for 65yrs. And after that many years of exposure, I can assure you that your mom was a very good, very kind and a truly marvelous woman. So I'm pretty sure that she is in heaven right now with your father having a cold one.

I apologize for not being able to be there for you but I will be thinking of you and praying. Love to you all -- Shelly Clark
