“ Thoughts and prayers are with you and your family during this time of loss and sorrow. I was fortunate to have known George through working at the Ranch House for the last seven years. He was genuinely a nice man and will be sadly missed.

“ George was always kind and considerate. I was ahead of George in school but, I remember him jumping in my car and heading to Logons for a Red Bird Special (\$1.25) for hamburger, fries and a coke. George always had a smile and was always speaking to everyone. I saw George last month at the Ranch House with some friends and we had a nice talk. I will always keep my good memories of George from Alton High. I will have George and his family in my prayers.

God Bless.
