“ *Grandma we miss you so much. We think of you and Grandpa all the time. You and Grandpa were a vital part in raising the finest adults. We are good people, just like you and grandpa had expected we would be. Grandma please help Robbie's tortured soul. Forgive him as God would. Show him the error of his wicked ways.*

I cannot wait until the time for me to join you and yours eternal. I love you grandma.

“ I am so sorry. I'm Juanita's daughter Karen. I have been talking with Geri for awhile now. I became very close to her even if it was just over the phone or bringing her a burger and handing it to her over her balcony. She called me last week and told me she was moving to Cerderhurst. . Was to be right across the hall from Juanita. I will miss are phone calls ! She was special to me and she understood me. Prayers for you all! You had a special mom.

“ Sherry, Taffy, and Robbie, I am so sorry for your loss. I always liked being around your Mom. She was fun to be with and was always very nice to me. I loved her laugh. I can almost hear her laughing now- it was a good laugh and she shared it often. She will be missed. She raised 3 really good kids so she will never be forgotten. She will live on through the three of you, and nothing could ever please her more.
