“ *I did not know your brother Gilbert but I know the rest of you and I offer you my sincere sympathy in the passing of your brother. It is never the right time to lose someone we love. But the memories in our minds and hearts are so vivid they are never gone from us. If I was there I could just sit quietly with you or hold your hand, but I can pray for you. And that I will do. You will be on my mind in the coming days.*
