“ Glenda, how we will miss your infectious smile! We shared many ideas and conversations throughout the years. I knew her as her hairdresser and her friend. We shared and encouraged each other a lot. I always found her to be sweet smart and so very caring. I hope she's got a good book and a fishing pole with her up in heaven! God bless you Bobby and family. May God comfort and strengthen you through your loss . We will all miss her sweetness and courage. God bless you Glenda.
