“ *Your mom, as you know, was like a mom to all of us at the church. She was family. She was a strong, opinionated, caring and loving lady! June and Eddie were strong christian believers and church workers too. We miss both of them! Losing someone is VERY DIFFICULT but, we know, your mom, being the christian believer that she was, has gone onto GLORY and is watching over you until you meet again! And yes Chip was right about those mis-dialed calls. I remember one time I answered the phone and it was your mom and I knew she had the wrong number but she kept on talking until she realized her mistake. .I had to laugh at what Chip said ..BUT thats what makes someone memorable! Right! We loved JUNE! We will miss her! And, by the way, your mom ALWAYS remembered my birthday. Every year I got a card from her. Bless her heart! I will miss those cards!*

“ *I loved June. I always loved the cookie exchange party with the older ladies from the church. Took part in many celebrations. She truly loved Eddie and missed him so. Now they are together in Heaven with the best Celebration ever. June was a spitfire that's for sure. And she was tough as nails to the very end. Rest in Peace Nanny! You'll me missed by many. Much love and prayers for the family*

“ *I remember easter egg hunting in Aunt June and Uncle Eds back yard, always feeling welcome, and those ankle biting dogs. Wished I would have had more time around the both, they were wonderful people, and now they are reunited.*
