“ So sorry to hear of Scott's passing. I have many memories from our youth...ours mom's being close friends to church activities to just being part of the Melville gang. Scott was always entertaining, no doubt. My thoughts are with you, Mike and Rita.

“ Scott was such a great guy. I have fond memories of us riding bikes together and exploring the woods. We were even in a band at one time and used to practice in Jill Crader's basement. If I remember correctly, we played songs by the Monkees. We started our friendship in kindergarten and took naps on the floor followed by a snack of milk and graham crackers. Later in life we briefly worked together at the Boxboard. Good memories! Please accept our sympathy.

First got to know Scott in Kindergarten at Clifton Hill School. Along with Mitzi, Ellen and John Wedding and many other great people from the Clifton Hill area. Even went to the 9th grade prom with Scott at West Jr. He wore a suit and was so handsome and quite the gentleman. Our parents were friends through church as well. I'm so sorry for his passing.
