“ *Hello To The Family, We are very sorry for the passing of Juanita. I must say though she was blessed with the longevity gene of the Hechlers. When ever I saw her there was a instant flasback of seeing my Grandma Stone and a big touch of some of that same orneriness. I will always miss that part of seeing her. We didn't see her often but it was always fun. Our thoughts and prayers are with you all. Sincerely Bob& Mary Sue Norman*
