“ We are sorry to lose Mac to this life, but thankful to have known him. We always enjoyed his humor and admired his focus on others instead of himself.

“ My father touched so many hearts with his funny stories over the years. He will be sadly missed by everyone. He loved his family, the furry compaions we had throughout his life, and the Marine Corps. I could not have asked God for a better father because I got the best! Thanks to everyone who has written a note it means so much to us words are not enough.

“ *I remember "Mac" from the Alton American Legion Post 126. My father, Ed Wallace, served as Post Commander at one time and he selected Harry to be his master-at-arms. I had quite a number of talks with Harry during that period and as a result I spent 22 very rewarding years in the service of my country and it is thanks to Harry "Mac" McBride that I did so. He was the one instrumental person in helping me make the decision to join. And for that I am forever grateful.*

*God speed and God bless you Harry.*
