“ Few times in my life have I upped what a repairman was about to charge me for service but with Harry I just had to. I only can assume he sacrificed by charging so little. I appreciate having known this humble and skillful man .

“ So very sorry to hear. He was a great man and did all the appliance work for us. He was the one who kinda saved us when our old stove plug blew and caught fire and he found it. We thank him for that and he never charged anyone more than they could afford. He will never be forgotten. R.I.P Harry. Prayers to his whole family. May god hold and help all who loved or cared for him to get through these hard times. Damon and kim.

“ I was shocked to hear the sad news of Harry's passing. John and Eve join me in sending our condolences, thoughts and love during this difficult time. My heart goes to Laura, Mark and Doris and all those who loved him. I know there are no words that can ease your grief, but hope that you can find comfort and peace in the love and memories shared with Harry.

Harry was a good man and a good friend. For many years he was instrumental in helping me in getting the many rental properties we had ready to rent. Never once did he not come to my rescue when I was in a tight spot. He always came up with a way to get the job done well, efficiently, in a friendly manner and for a fair price. Harry was a good father, loved his family fiercely and was an amazing friend. He was incredibly special and will be missed by many. Rest in peace, Harry.

“ *Sister Mobley and Family,
I am so broken by this news.
What a tender hearted friend.
Bubba had one of the best laughs/giggles and livened up our church
youth activities.
His countenance was filled with love and joy.
He will be greatly missed.
Hugs and love to you all!

Harry was a wonderful man! I called him many times and the last
