“ *I have so many memories as a kid going to Bo and Doneetias house off Seminary with my dad. There were always a house full of people, plenty of food, and fun to be had. Had so much fun playing with BoBo and Nancy and whatever other kids were running around there. Great childhood memories of family and friends. Prayers to all Bo's family. ❤️*

Rest in peace my friend. You drove a truck and so did I. You will always be in my mind. I remembered all the times I sat and talked to you on Seminary and when you moved to the old car scrap lot. You usually beat me too the Alton memorial pick pick up. My wish's and warm thoughts to family. After forty five years we must go on . If you see Tom or Dale tell them I love them my friend. You were a true friend. I know your with your Doneetias. God be with you and all your family left behind.

always your trucking friend
