“ *Please accept my family's heartfelt condolences on the loss of your dear loved one. May you find comfort and peace in the fond memories of them, and The Almighty God's promise to restore those asleep in death, to perfect life on a paradise Earth, as written in The Bible for our comfort.*

“ *Kaye had a good sense of humor that I loved. We had so many laughs together. I worked for her for about 9 years. A few days before she passed, we were talking about some of the fun times we shared. I mentioned the lunches we had in the park, and she said and the scenic drives . Sometimes, I unconsciously started out in the opposite direction of where we were supposed to be going. That was our scenic drive. Her favorite saying when she had said something silly was, " I can't help it." I'm missing her already. She was wonderful lady.*
