“ Please accept my deepest sympathy for I too know the pain of losing someone as special as a mom. May your family find comfort as I have in knowing that our loving heavenly Father promises us that very soon he will 'swallow up death forever, and wipe the tears from all faces.' (Isaiah 25:8) What a wonderful day that will be!

“ Aunt Hellen I will always remember your blonde hair and twinkling blue eyes. When I was young you used to reminded me of Doris Day. You weren't big on hugs and kisses but I will always remember the first day you met my adopted daughter and gave her a big bear hug and a kiss which will always mean the world to me.

Love Always,
Jan

“ Hellen and I were very close. We always had each others back and we were like Butch Cassidy and the Sundance Kid. When we were young we always found ways of entertaining ourselves. I'm going to miss talking and laughing with you on the the phone. I'm going to MISS YOU KID !!! Love, Joyce
